Dear Santa,

We are from Waveland and our home was at:

[redacted] Favre St.

We are now living at:

Address: [redacted] Field Ave.

City Metairie State La Zipcode 70001

Phone No. [redacted]

Our family consists of:

Charles & Synthia [redacted]

Our Katrina experience was:

This was to become our primary residence Feb. 1, 2006. Our plans had been put into effect and our hearts called Waveland "home." We evacuated to Memphis, where we watch the large screen TV in the hotel lobby, along with others from N.O. & Gulf Coast. (over)

Write something special that you would like Santa to bring you or your family:

A web site where those of us outside of Hancock Co. can get info. (i.e. town meetings, debris clean up.)

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

The TV media was not covering Bay/Waveland. On a hunch I used the guest computer at the hotel and put "Hancock Co" into Google. Up came a newspaper article in Green Bay, Wis. describing Bonita's [redacted]'s experience. I knew then, that if the water in Rotten Bayou rose that high, that there was no chance that my still ~~have~~ home at Favre & Bourgois could ~~sit~~ be standing. Sadly I was right.
